To: All MPD Accounts  
Re: MPD Freight Policy

This is a reminder regarding our existing freight policies.

### **Oversize Charges**

Purolator and Loomis charge a \$15.00 **per piece** surcharge on oversize items. These charge are **NOT** covered under your "Freight Prepaid" program.

Basic guidelines as follows:

- Any single item over 60lbs in weight
- Any "unboxed" items (eg. tires, batteries, seats, roll bars, etc.)
- Any single item over 5' in length

If you order an item to which this applies, your account will be charged the \$15.00 per oversize item unless you are shipping FREIGHT COLLECT on your own Purolator or Loomis account.

### **Freight Prepaid Exceptions**

The following items are not covered under your "Freight Prepaid" program:

Tires, engines, engine blocks, transmissions, differentials, hoods and any item that is of excessive weight and or physical size. Please inquire at time of order for the shipping policy.

Freight will be charged on your invoice for these items, or shipped COLLECT on your courier account.

If you have any questions, please contact us at 604-881-4888 or 800-236-6722.

Thank you
